Marcia Johnson

Outstanding Public Service Award Reception

This reception will honor the first recipients of the Earl Carl Institute's Marcia Johnson Outstanding Public Service Award. The purpose of the award is to, among other things, recognize TSU students, community leaders and organizations that are committed to service in support of traditionally disenfranchised communities. The award recognizes their "strong voices at the table", which serve to improve the lives of individuals in our communities. The award is named after Professor Marcia Johnson, founder of the ECI, who exemplifies what it means to be that voice at the table. She is a mentor to many and an inspiration to us all.
