COURSE DESCRIPTION, LEARNING OBJECTIVES & STUDENT LEARNING OUTCOMES

A study of the procedure practice and procedure under the Federal Rules of Civil Procedure. This course focuses on: 1) the relationship between the federal judiciary and executive and legislative branches of the federal government; and 2) the relationship between the federal courts and the states. The topics covered include Congressional power to control federal court jurisdiction, constitutional and statutory limitations on subject-matter jurisdiction, sovereign and official immunity, abstention, equitable restraint, and other limitations, on the exercise of federal court jurisdiction, the Erie Doctrine, and federal common law. This course may be taken in the second or third year.
**GRADING**

There will be a comprehensive final examination. The instructor reserves the right to have a "mid-term" examination, with its relative weight to be announced at that time. Please note that the Instructor reserves the right to hold additional examinations as may be deemed necessary. Students will be notified of the value of these exams at said time.

**ACCOMMODATIONS**

Accommodation will be provided and administered as dictated by the Dean’s office. If you require accommodation please provide approval and guidelines from the Dean’s office.

**PARTICIPATION, ATTENDANCE & PROFESSIONALISM**

Because verbal articulation of ones' ideas is an essential commodity in the practice of law, class participation is encouraged. With such in mind both the quality and quantity of class participation will be evaluated and applied as an added value of up to two (2) points in determination of your final grade. Further to such, the Instructor may assign specific class sessions for students participation, which may be applied as up to 10% of the “Professor’s” final grade.

**ATTENDANCE:** Will be applied as required for a 3 hour class via a sign-in roll sheet disseminated at the commencement of class.

**POLICIES & PROCEDURES**

All policies and procedures relative to this course are articulated in the Law School Student Rules. All such rules will be complied with by both students and the Instructor.

HEALTH AND SAFETY ON CAMPUS

1. Students are expected to continuously self-screen for the symptoms of COVID-19. The Center for Disease Control has a list of COVID-19 symptoms: https://www.cdc.gov/coronavirus/2019-ncov/symptoms-testing/symptoms.html. If you begin to show symptoms, notify your professor and leave the classroom. Limit contact with other individuals on campus and contact your healthcare provider for further guidance.

2. If, before coming to campus, a student starts exhibiting any symptoms of COVID-19 or does not feel well, the student should not attend class in person. The student should immediately notify the Assistant Dean for Student Development (virgie.mouton@tmslaw.tsu.edu) and attend classes online.

3. Students who have been sick with COVID-19 symptoms, tested positive for COVID-19, or have been potentially exposed to someone with COVID-19 should attend classes online until they are cleared by their healthcare provider. The following is taken from the TSU & Coronavirus FAQs, http://www.tsu.edu/about/administration/marketing-and-communications/coronavirus/faqs.html:

   Those who have recently traveled internationally or believe they have been exposed to the virus and are experiencing influenza-like illness, with fever greater than 100.3, and symptoms, including cough, body aches, severe sore throat or runny nose, should seek medical attention, especially if symptoms worsen.
Students should contact TSU Health Services (713-313-7173) and identify themselves as having flu-like symptoms to obtain further recommendations and guidance. Students should also consult with their regular health care provider or seek treatment at a local health center if they are overseas. Please call ahead to your health care provider to notify them of the reason for your visit.

For additional information about COVID-19, including signs and symptoms, transmission and risk of exposure, and what to do if you are exhibiting symptoms, please refer to the resources section. The CDC’s website and Texas Department of State Health Services (DSHS) will also issue guidance for those planning to travel or who have recently returned.

4. While on campus and in classrooms, students should observe the rules for social distancing, social health etiquette, and general cleanliness.
   a. Students should practice hand hygiene, cough etiquette, and general cleanliness.
   b. Students should maintain at least 6 feet separation in all directions from other individuals.
   c. Face coverings (over the nose and mouth) are required for all students. Students without a face covering will not be allowed to enter the classroom. Students with an approved exemption and who notify their professor before the start of class may be allowed to wear a face shield instead of a face mask.
   d. Students should wash or disinfect their hands before each class and after any physical interaction with other persons in the classroom.
   e. Students should maintain classroom cleanliness. Students should create a clean classroom environment by putting away unnecessary personal items and cleaning their seating area intermittently.
   f. Students should not expect to enter the Law Building on a day other than the designated day for in-person attendance for an enrolled course. Entry will be permitted only if administration can determine that the maximum occupancy for COVID-19 social distance protocol has not been exceeded.
   g. Students who do not comply with the rules for social distancing, social health etiquette, and general cleanliness may be subject to discipline up to expulsion from law school.

ATTENDANCE POLICY

5. Students are required to attend classes consistent with the format of the enrolled course.
a. Hybrid – instruction for courses in this format is delivered in person and simultaneously online. Enrolled students are divided into groups and required to attend weekly in-person classes on the weekday(s) predetermined by administration for the designated group. Students may only attend in-person classes on the administration-determined day to ensure that all enrolled students are guaranteed a physical seat for the class. Other class days for the week are to be attended online. Students who have COVID-related health and safety concerns in attending in-person classes must obtain a remote-instruction waiver from the Office of Student Affairs. The waiver can be requested for the entire semester or temporary, based upon the personal circumstance of the affected student.

b. Online – instruction for courses in this format is delivered 100% online.

c. For the 100% online course and the hybrid course online instruction component, both the American Bar Association and the Law School rules obligate the professor to obtain assurance that the person who logs into the course online, participates in class, takes quizzes and exams, and engages in collaborative exercises, is the student enrolled in the course. Without being limited to the following methods of attendance verification, professors may require attendance to be contingent upon confirmation of identity via webcam or require webcams to remain on for the entire class period.
