Dear Dean Ledesma,

The Construction Law Section of the Houston Bar Association is committed to recognizing and supporting deserving law students who have shown outstanding success in the area of construction law at each of the law schools in the City of Houston.

This year the Board of the Construction Law Section will award the sum of \$1,000.00 to a student selected by the Thurgood Marshall School of Law. This award is to be made without reference to any existing financial aid or need, but will be awarded as an outright gift. The deadline for submission of the name to me is Wednesday, April 15, 2021.

We will make this distribution to your school during the month of May, with the request that your staff or designated committee make the award at a time appropriate in the name of the Construction Law Section of the Houston Bar Association.

The Board would like for you to seek candidates who fulfill the following criteria:

- A student enrolled in or having completed classes in or involving Construction Law;
- A student who has shown exemplary success in Construction Law either through superior grades, publication, internships or clerkships; and
- A student who has evidenced a strong interest in pursuing a career in the practice of Construction Law.

The Board of the Construction Law Section will invite the recipient to our monthly meeting on Thursday, May 20, 2021 to be recognized. Please confirm in writing that your law school agrees to receive and distribute this award in accordance with the criteria outlined above.

Feel free to contact me if you have any questions.
